October Field Trip

No field trip is planned at this time

October Meeting

There will be NO October meeting due to ongoing repairs at the Center

September Field Trip—Results

There was a good turnout for the trip to what may or may not have been the Granite Beach Site, but what was certainly an interesting camp on a rarely seen terrace of the Colorado River. Photos by Doris Howard and Chuck Hixson.

Steward's News

Your local archeological steward is Doris Howard. If you have any questions about the archaeology of the area, she can be your first contact. Doris can be reached at (325) 247-2440

Site Cleanup—September 19th

LUAS members David Boyd, Pat Hatten, Chuck Hixson, Doris Howard, Andy Malof, Al Priest and Gene Schaffner spent a good part of Saturday morning sprucing up the trail and partially rehabilitating the hut. Staff from LCRA's McKinney Roughs facility have also been trimming the grounds and putting a shine to the building. It should all be looking good for the October 10 Fair.

Hut reconstruction

LUAS to Participate in Llano County Heritage Festival October 17

LUAS will share a table at the Llano County Heritage Festival in Llano on October 17. The Heritage Festival was started in 1989 when Llano's downtown area was selected to be on the National Register of Historic Places as the Llano County Courthouse Historic District. The festival celebrates heritage with living history demonstrations, reenactments, music, food vendors, antiques, collectables, heritage arts and crafts, family history displays. Tours of the Red Top Jail also will be held. Be sure to check out the fun at the Llano Chuck Wagon Cook-off over the entire weekend. *(Thanks to the Cook-off website for the information and photo.)*

Don't forget, the Annual Meeting of the Texas Archeological Society is in Del Rio October 23-25. In addition to numerous papers there will be opportunities to visit rarely-seen rock art sites. www.txarch.org

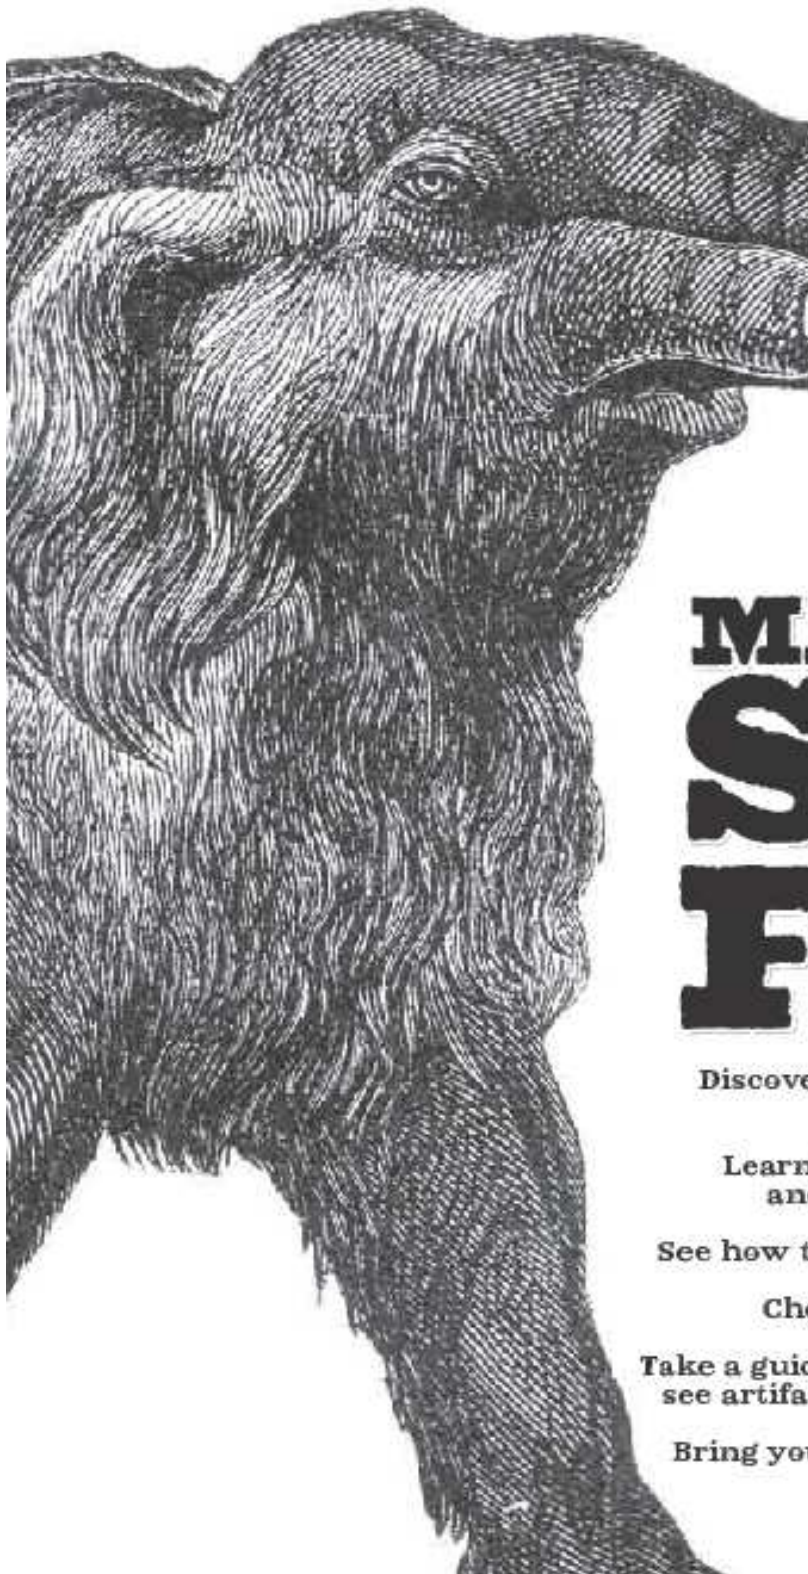

The Llano Uplift Archeological Society was organized by people interested in the protection, conservation and study of historic and prehistoric materials and sites in the Llano Uplift ("Central Mineral Region") area of the Texas Hill Country. Its primary goals include education of the membership, students and the public; and to support other groups, researchers and educators with similar interests. Stewardship of the Nightengale Archaeological Center is a major contribution of LUAS.

Archaeology Fair

Saturday, October 10, 2009

1-5 pm

Nightengale Archaeological Center

MAMMOTH SIZE FUN!

Discover how the original Hill Country inhabitants lived

Learn how to throw a spear with an ancient device called an atlatl.

See how they made fires and processed food

Check out our on-site museum

Take a guided tour of the interpretive trail and see artifacts that are thousands of years old

Bring your own artifacts for identification by our experts.
