

Llano Uplift Archeological Society

Message from the President - Michael Williams

A short message:

NO JANUARY MEETING.

NO JANUARY FIELD TRIP

The next meeting will be held Wednesday, February 13. Speaker to be announced. We will also hold elections for LUAS Officers. You can see the nominees below. If there are any other candidates let one of the present officers know and it can be announced in the next newsletter. Candidates can also be nominated from the floor during the meeting.

Special Announcement

It's time to consider renewing your LUAS membership. A dues increase was approved by unanimous vote at a business meeting a few months ago. As of January 1, 2008, individual memberships are \$15 per year, and family memberships are \$20. It is also quite helpful to complete a registration form, which can be found on the website. This helps us keep our records up to date and to at least conceptualize targeted activities.

Steward's News

Your local archeological steward is Doris Howard. If you have any questions about the archaeology of the area, she can be your first contact. Doris can be reached at (325) 247-2440

The Llano Uplift Archeological Society was organized by people interested in the protection, conservation and study of historic and prehistoric materials and sites in the Llano Uplift ("Central Mineral Region") area of the Texas Hill Country. Its primary goals include education of the membership, students and the public; and to support other groups, researchers and educators with similar interests. Stewardship of the Nightengale Archaeological Center is a major responsibility of LUAS.
