**OUR SPEAKER WILL BE**  
***Eric Schroeder***  
**His topic will be:**  
**Archeological Site Preservation on Private Lands.**

Eric Schroeder is an archeologist in the Wildlife Division at Texas Parks and Wildlife Department.

Eric Schroeder is a 27-year professional in the cultural resources consulting field, providing regulatory advice to a broad range of clientele from government to private industry. He has been a lifelong learner. He holds a doctorate degree in anthropology from the University of Texas at Austin where his academic interests center around the material culture of prehistoric Native Americans, primarily in the southwestern United States and northern Mexico. Topical areas that pique his interest are complex hunter-gatherers, status and inequality, trade and exchange, craft specialization, warfare and conflict, and ethnohistory.
